EDUCATION

DPS Damanjodi — **Damanjodi, Odisha**
10th Grade: 94% *12th Grade: 88.2%* — *2009 - 2023*

XIM University — **Bhubaneswar, Odisha**
B.Tech in Computer Science and Engineering *CGPA: 8.68* — *2024 - 2028*

TECHNICAL SKILLS

Programming Languages: C++, Java, JavaScript,PHP, Python
Web Technologies: HTML, CSS, React, Vite
Tools & Platforms: MySQL,Git, GitHub, Arduino IDE
Concepts: DSA, OOPs, Web Development

PROJECTS

- **Gadget Genie** [GitHub]
  - Developed a responsive gadget recommendation web application for exploring and comparing electronic gadgets.
  - Designed interactive and user-friendly webpages with smooth navigation and organized product displays.
  - Implemented frontend-backend integration and database connectivity for dynamic content rendering and efficient data handling.
  - **Tech Stack:** PHP, MySQL, JavaScript, HTML, CSS, Git, GitHub.
- **Periods Tracker** [GitHub]
  - Built a menstrual cycle tracking web application to record cycle details and predict upcoming periods.
  - Designed clean and intuitive interfaces with proper form validation and user-friendly layouts.
  - Integrated MySQL database connectivity for secure storage and efficient management of user data.
  - **Tech Stack:** PHP, MySQL, JavaScript, HTML, CSS.
- **Book Management System**
  - Developed a DBMS-based library management application for managing books, student records, and issue/return operations.
  - Implemented CRUD operations, search functionality, and structured database management for faster data retrieval.
  - Focused on improving the efficiency and organization of library operations through proper database design.
  - **Tech Stack:** PHP, MySQL, JavaScript, HTML, CSS, DBMS Concepts.
- **Line Follower Bot — Robogenix, XIM University**
  - Designed and developed an autonomous line-following robot capable of detecting and following predefined paths using IR sensors.
  - Implemented sensor-based decision-making and motor control logic to achieve accurate navigation and smooth movement.
  - Worked on hardware integration, circuit connections, testing, and debugging to improve the robot's performance and reliability.
  - **Tech Stack:** Arduino UNO , C/C++, IR Sensor Array , Motor Driver, DC Motors, Embedded Systems

ACHIEVEMENTS

- Secured **2nd Position** at the Student Exhibition during the **4th International Conference on Range Technology (ICORT 2025)** held at **ITR-DRDO, Chandipur**.
- Achieved **Scholar Recognition** during the academic year 2016 – 2017.
- Participated in **Megatron** and **Line Follower** events at **Nirman Silicon Techfest 2025**.
- Currently Coordinator of RobogeniX Club - Robotics and IoT club

EXTRACURRICULAR ACTIVITIES

- **Secretary** - RobogeniX — Jun 2025 – Apr 2026
- **Treasurer** - IEEE Student Branch, XIM University — Jun 2025 – Apr 2026
- **Member** - IEEE WIE Affinity Group, XIM University — Jun 2025 – Apr 2026
- **Member** - IEEE Computer Society, XIM University — Jun 2025 – Apr 2026
- Participated in **Dance** events at XIM University.
- Secured **2nd Position** in Basketball at **IIT Bhubaneswar** in 2024.
